Breen's Liniment is pronounced by all who have used it to be the greatest remedy for rheumatism, sprains, cuts, bruises, etc. Sold by J. T. & F. Day.

Jack Zimmerman, the oldest printer in the State, is lying at the point of death in Danville. He is seventy-eight years of age and has been a type for over sixty-five years.

From a private source we hear that Hunt, of Breathitt, on trial at Louisville this week for robbing the mails a year since, was discharged, and thus cleared of the charge.

Rev. Letcher Stamper, the most distinguished minister in the mountains, who has been compared to Parsons, Bascom and Struble for his eloquence, was in the city Friday.—(Lexington Press.)

The funeral of Mr. A. H. Kash, deceased, was preached last Lord's day by Rev. H. H. Little, in the Christian Church, and was well attended. We noticed several friends of the deceased from a distance.

Marion Trimble, farming on the Lick Branch, on Friday last brought to this office a pumpkin weighing 76 1/2 pounds. If it can be beaten in Eastern Kentucky we would like to hear from the party who can do it. It was raised by J. C. Swango.

The grand jury yesterday in the United States Court returned an indictment against George W. Poplin, of Menifee county accused of passing counterfeit \$20 notes. Poplin is now at liberty under a bond of \$1,000. Two other indictments were returned, but as the indicted parties are at large, their names were not made public.

Senator Alford, in response to the question of the Louisville Commercial,—"What do you consider the most important topic now meriting the attention of the Legislature?" says: "I have no hobby to ride. I do not know of any one subject of legislation that can be said to be most important." Our handsome Senator is generally level headed and has as little of the crank in his make-up as any man we know of.

The Evangelists can effect very little toward the reclamation of Eastern Kentucky without the aid of railroads. The locomotive and electric telegraph are great civilizers and generally go hand in hand with ministers of the gospel. The completion of the Kentucky Union will bring light into the dark places of the State, which cannot be otherwise enlightened. It is one of the highest of Christian duties to revolutionize that section.—(Georgetown Times.)

### THE OHIO ELECTION.

The Republicans seem to have carried Ohio by 15,000 majority. Returns so meager that later news may wear a different face.

### Our Stock Sale Day.

John H. Pieratt, the indefatigable auctioneer, reports the following sales on Wednesday last, (our paper being two days late) to-wit:

Wm. Brown to D. S. Godsey, one cow, \$22 25; E. P. Mickel to Same, one colt, \$22 75; R. J. Samuels to W. C. Perkins, one calf, \$7 15; F. N. Day to Jordan Wills, one pair cattle, \$70 00; John H. Evans to W. Caskey, one calf, \$15 20; A. R. Swango to Frank Tyler, one heifer, \$10 25; H. H. Swango to A. J. Wood, one heifer, \$10 50; Tom Chaney to Ben Stamper, one mule, \$45; Eli Phipps to J. M. Rose, two heifers, \$36 50; Lou Day to Harrison Swango, one cow, \$20; A. R. Swango to Sam'l Swango, one mule, \$85; I. Holland to James A. Lacy, two mules, \$225; Nels Tyree to James A. Lacy, one mule, \$89; Eli Phipps to Jas. Nickell, two heifers, \$14 50. Total sales at auction, \$513 30. Cattle, mules, hogs and horses sold privately would swell these figures to something over \$1200, which considering the depressed markets below, is a good sign of coming prosperity to our community.

### Steering the Old Ship of Zion.

[Vaneburg Courier.]  
Rev. W. L. Stamper, "the new preacher," for the M. E. Church South, arrived last Saturday evening and on Sunday preached two excellent sermons to large congregations. Mr. Stamper is a young man possessing pleasant manners and superior ability. He is a cousin of silver-tongued Pres. Taubee, whom he is not unlike in style of oratory and manner of delivery. He is delighted with our people, and we are glad to know this kindly feeling is fully reciprocated—in other words the mash is mutual—and we may expect the course of true love to run smooth for a year at least. The church ought to be proud of its new pastor and endeavor to sustain him in his work of rebuilding as well as of redemption. The people will find him a faithful worker, and if the Old Ship of Zion doesn't make Vaneburg a regular landing place it will not be the fault of the man at the signal station.

### WOLFE COUNTY.

CAMPION, Oct. 10.—On last Friday night we had a slight-of-hand-hocus-hocus-chestnut-peas-and-legs-demon show at the school house by Prof. Carpenter, who is a very good performer. King Al-cohol seemed to reign supreme on the occasion, and as soon as the entertainment closed and the crowd dispersed, the town was almost ablaze by the discharge of firearms. To one uninfected either by intoxication or excitement, and viewing the matter in its true light it would seem that the wild, uncouth savages of some primeval forest, or some of the inhabitants of the infernal regions had turned themselves loose upon our usually quiet little town to terrify its inhabitants. But this only fancy. It was in reality only some one better preparing themselves as future occupants of that place inhabited by the devil and his angels.

A. H. Stamper, of Laurel Creek, is attending school at this place.

Wm. Combs, of Jackson, was in town this week attending our court of claims.

Died.—On the 7th inst., of measles, Annie Ford, wife of M. T. Ford, of Stillwater, after an illness of only a few days.

Here the pale horse and his rider have robbed earth of an inhabitant and society of an ornament, but we have good reason to believe that is only to swell the population of the brighter world, where she, with a robe of light, shines far brighter in the society of angels than her circumstances in life would permit her to shine in this world. She was a true, tender and loving wife; a kind and affectionate mother, and a useful member of society. She leaves a husband, four children, and a host of friends to mourn her loss.

GILMORE, Oct. 10.—Uncle Remus and part of his family returned home last Monday from Quick Sand, where they had been visiting friends and relatives and attending the Baptist Association.

We heard several good sermons preached. There were only about 12 or 15 preachers attending, with a good congregation every day and good order prevailed most of the time but the signs of brandy were plainly seen on the outskirts and once in a while a young moon-eye would stray off the line and come sneaking into the congregation, but all was still and quiet. One noted incident at this association was there was no shelter the people and Saturday it rained very hard and the wind blew and just as the rain came up Bro. Murray was just taking his text and the people began to be alarmed and he remarked "those that wish to hunt shelter can go, but as for me I am neither sugar or salt, so let the rain come down as hard as it can, I am one that never scringes from my duty," so he preached on through the rain.

There was preparations made and a general invitation given to entertain the people from Stephen Carpenters to Uncle Shack Allen's, up and down Quick Sand, a distance of about 16 miles and up Hunting Creek to Judge Miller's, 6 miles. There never has lived a more generous hearted people on earth than the people of Breathitt and especially on Quick Sand.

Mr. Haddix wishes to inform him that he has a wife and two lovely little chaps, Ida and Kelly, and is a strict and orderly member of the United Baptist Church and has everything to make one happy with the exceptions of a little bad health.

## Swango Springs.

The Water of Life for Afflicted Humanity. IRON IS KING.

These springs are located three-quarters of a mile from the beautiful town of Hazel Green. The water contains a larger percentage of iron than any other water known. Hence it is the most valuable in the cure of disease—used internally or externally.

Among the many diseases which flesh is heir to, and for which this wonderful water is known to be a positive and permanent cure, are the following:

CONSTIPATION, DYSPEPSIA, SKIN DISEASES, SCROFULA, CATARRH, RHEUMATISM, NEURALGIA, NEUROSIS, &c.

We append a few of the hundreds of testimonials which have been tendered as to the efficacy of this water in disease.

One lady writes: "I am so thankful to the Great Giver of all Blessings that I tried Swango Springs. Freely do I give all the time and money spent there for the health and strength I now enjoy."

A gentleman of Illinois says: "I think the water of Swango Springs did me more good than all the nostrums I have ever tried.
